

Ag tacú le Cumainn Gaelacha bheaga

More Support for Smaller Cumainn Ghaelacha

Mar LU Gaeilge beidh mé tiomanta chun tacaíocht a thabhairt leis na Cumainn Ghaelacha bheaga ar fud na tíre. Tá sé tábhachtach go bhfaigheann Cumainn Ghaelacha tacaíocht dhíreach chun stocaireacht a dhéanamh ar na coláistí agus chun cabhrú le feachtasaíocht náisiúnta eile. Tá ár gCumainn Ghaelacha i gcroílár na Gaeilge ar ár gcampas agus tá sé riachtanach go dtacaíonn AMLÉ leis na grúpaí seo chun athrú fiúntach a bhaint amach! Tá sé seo thar a bheith tábhachtach do na hAontais nach bhfuil oifigeach Gaeilge lánaimseartha acu.

As LU Gaeilge I will commit to supporting smaller Cumainn Gaelacha across the island. It is essential that Cumainn Gaelacha receive direct support in lobbying their college for change to assisting in other national campaigns. Our Cumainn Gaelacha are at the heart of Gaeilge on our campus' and it is essential that AMLÉ supports these groups to achieve meaningful change! This is especially important for Unions that do not have full time Gaeilge officers.

Níos mó comhoibriú idir na Aontais agus grúpaí feachtasaíocht sa Tuaisceart agus an Deisceart

Better co-operation between Unions and Campaigning groups North and South

Is rómhinic a mothaíonn grúpaí feachtasaíochta sa tuaisceart go bhfuil siad scartha ó na gluaiseachtaí níos leithne ar fud na tíre. Mar LU Gaeilge oibreoidh mé le cinntiú go mbeidh feachtasóirí ó thuaidh agus ó dheas ag obair i dtreo a gcuspóirí i gcomhar. Tá sé tábhachtach go n-áireofar an Tuaisceart sna feachtais Gaeilge.

Too often campaigns groups in the north feel disconnected with wider movements across the island. As LU Gaeilge I will work to ensure that campaigners and campaigns both north and south are working towards their goals in unison. It is essential the Gaeilge campaigns include the North.

Níos mó cursaí trí Gaeilge

Increasing number of courses taught through Irish

Is féidir an méadú ar líon na gcainteoirí Gaeilge a fheiceáil ar fud na hÉireann, agus mar LU Gaeilge dhéanfainn brústocaireacht ar an rialtas agus comhoibreoidh mé le hUachtarán NUS-USI le brústocaireacht a dhéanamh ar Fheidhmeannacht Thuaisceart Éireann chun méadú a dhéanamh ar na cúrsaí trí Ghaeilge.

The increase in Irish speakers can be seen across Ireland, as LU Gaeilge I will lobby the government and work with NUS-USI to lobby the NI executive to increase the number of University places for Gaels, including courses taught through Irish.

Pobail Chleachtais do feachtasóirí Gaeilge

Community of practice for Gaeilge Campaigners

Chun athrach éifeachtach a chur chun cinn, ní mór dúinn a chinntiú go bhfuil grúpaí feachtasaíochta comhordaithe agus ag obair i dtreo sprioc choiteann i gcomhar le chéile. Mar LU Gaeilge tosóidh mé grúpa cleachtais phobail iomlán a chabhróidh le grúpaí feachtasaíochta éagsúla.

To drive effective and meaningful change we must ensure that campaign groups are coordinated and working towards a common goal in unison. As LU Gaeilge I will start a full community of practice group that will help coordinate campaign groups

Níos mó tacaíocht do na healaíona trí Gaeilge

More support for the arts as Gaeilge

Le líon méadaitheach mac léinn atá ag plé leis an nGaeilge ar fud na tíre, tá sé tábhachtach go leanfaidh AMLÉ ag feachtasaíocht ar son maoiniú ealaíon níos fearr dóibh siúd a chruthaíonn Ceol, Litríocht nó meáin eile trí Ghaeilge. Is minic a dhéanann an rialtas neamhaird ar mhaoiniú ealaíon agus tá sé ríthábhachtach go leanfaidh do cheardchumann náisiúnta ag tacú le mic léinn ealaíon ina bpaisean.

With the increasing number of students engaging with Irish across the country it is important that AMLÉ continues to campaign for better arts funding for those creating Music, literature or other mediums through Irish. Arts funding is something that is often looked down upon by government and it is essential that your national union continues to support student artists in their passions.
